

## Someone noticed something special in YOU!

**You made an impression on one of our talented gift scouts.**

Our scouts are specially trained to identify anyone qualified for a special *Gift of Appreciation*.

Did you open a door, provide great customer service, or did you light up the room when you walked in? Was it your nice smile, beautiful purse or the way you part your hair?

We don't know exactly what our premier gift scout noticed about you, but whatever you are doing, it is working because you made a good impression!

This is your special *Gift of Appreciation* because we appreciate you simply for brightening our day. **MERRY CHRISTMAS AND HAPPY NEW YEAR!**
